

Hello Parents and Coaches:

Rives Photography is excited to be able to capture this year's soccer memories. In an attempt to make it a safe environment, we are doing things a little differently. We still need a photo of every player and coach. You don't have to purchase photos if you don't like them. You will be able to see photos before you order this year.

1. First follow the steps to download the PhotoDay App.. Text **myso21** to 90738,
2. Show up for your scheduled Photo Day. No order forms and no money!!!
3. At the table take a 4 x 6 card and fill in Child's name, Team Name (not sponsor), and Your child's age.
4. Get in line with a Photographer. Please maintain a good social distance. Your Photographer will tell you what to do from there.

After Photoday, if you text in, you will be updated when your photos are ready.

Please call 601-453-3111 if you have any questions.
